

SPEAKING SERVICE

KEYNOTES

“Handle them carefully, for words have more power than atom bombs.”
- Pearl Strachan -

Need a conference speaker who can add value and offer tangible solutions? Need someone who will add energy, life and inspiration? Need someone who will improve your team's awareness, understanding and skills, in communication?

F2F will tailor a speech for your industry, audience, context and timeframe to ensure a message that is lively, thought provoking and immediately actionable.

Topics include:

The Beauty Of Brevity – How to create and deliver a clear, powerful, succinct message.

Halve Your Preparation, Double Your Impact – How to build a logical argument in half the time and ensure confidence and cut-through in delivery.

Are Your Meetings A Waste Of Time? – How to run meetings that are focused, engaging and get results.

You Don't Have To Be A Person Of Influence To Be Influential – We are all influencing all day every day – managers, staff, colleagues and clients. Are we maximising every opportunity?

Shut Up For A Moment And Listen – Our questioning and listening skills have more influencing power than our talk, but on average we spend less than 10% of our time thinking about and planning them.

Virtual Meetings and Presentations – With travel budget cuts and vastly improved technology, how do we minimise miscommunication and maximise team engagement in a virtual world for a competitive advantage.

How We Learnt To Write In School Is Probably Working Against Us In Business – How to write emails, reports and documents that are clear, compelling and build connection with an unseen reader.

Intergenerational Communication – Our workforce is now populated by three groups – Boomers, Gen X and Gen Y. Are we rolling our eyes at each other or leveraging the diversity?

Don't Believe Everything You Think – Our thoughts impact our words, our actions and our results. Are your thoughts supporting or limiting your productivity?
